Year 11 Exams and Study Skills

Year 11 VCE students will undertake their Unit 1 exams starting on Friday 30th of May. This exam period will conclude on Friday 7th of June.

Students will be given a copy of their exam timetable and undertake a preparation session on Friday 23rd of May at 1.30pm. The purpose of these exams is to prepare our students for the requirements of the Year 12 exams they will sit in 2015. Exams are prepared to match the format of the Year 12 exams to best prepare our students. They are also then given comprehensive feedback on their performance in the exam which is one of the best ways to improve student performance.

Students are reminded that they are required to wear full school uniform during the exams, no mobile phones or electronic devices are allowed in the room and they must follow the instructions of the staff in the exam room. Students will be given a full list of rules during the exam preparation session. Any student who doesn’t follow these rules can be removed from an exam and dealt with by Team leaders or Campus Leaders.

If your student has a Year 12 class during their timetabled exam they are to reschedule their exam to a suitable time.

We wish our students well in these upcoming exams and remind them to seek assistance in any area in which they are experiencing difficulties or are concerned about.
